## PROGRAM OBJECTIVE

ModelPro Junior Golf Program teaches golf from ground up, from ball striking basics to game's advanced techniques. The program is organized around five cornerstones:

1. **BALL STRIKING**
2. **SHORT GAME**
3. **PHYSICAL FITNESS**
4. **MENTAL APPROACH**
5. **COURSE MANAGEMENT**

By progressing through each of the five cornerstones and its respective disciplines, they'll developed strong foundation in Golf and become creative, objective, positive, and most importantly healthy teenagers

### Q & A

How Long Will It Take To Go Through the Program ?

A 10-year-old could master the 5 cornerstones in 2 to 3 years progressing from Level 1 to Level 3 depending on their desire to learn and parents' support.
